- Canada: 1-888-668-2951 (option 2), or crossingsCanada@enbridge.com
- US: 1-888-217-9110 (option 4), or crossingsUS@enbridge.com

Crossing and Encroachment Application

Applicant Information

Application date: _____

Applicant Information			
Applicant's legal name*:			
Address:			
Phone number:		Email:	
Contact name:		Position:	
Land broker/consultant or design firm legal name:			
Address:			
Phone number:		Email:	
Contact name:		Position:	
Applicant reference number:			

**Note: The applicant's name must be the entity that is agreeing to and executing the consent, the owner of the work. The land broker/consultant/design firm name must be the entity that is applying for consent on behalf of the applicant.*

Scope of Work

Detailed description of proposed installations and/or temporary activities affecting Enbridge facilities:

Expected Start Date: _____ Expected End Date: _____

Crossing and Encroachment Application

Location of Work

Affected Enbridge Entity: <i>(e.g. Westcoast Energy Inc., Enbridge Pipelines Inc., etc.)</i>	
GPS Coordinates of Crossing(s)*: <i>(provide in units of decimal degrees only; e.g.: 49.64297, -95.50149)</i>	
General Crossing Location: <i>(i.e. Address, City, County, Legal Description S/T/R, PIN, PID)</i>	

*Note: If the application affects multiple locations, a listing of the GPS coordinates of the locations and activities associated with those locations can be attached (e.g. spreadsheet, table, Word document).

Proposed Activities

Check off all proposed activities. If any activity requires crossing a pipeline with equipment, check off the equipment box under Drawing Requirements below and complete a [Vehicle Equipment Form](#) that can be requested from the Crossings department or downloaded from enbridge.com/crossings.

Permanent		Temporary	
Proposed Activity	How Many Locations?	Proposed Activity	How Many Locations ?
Pipeline <input type="checkbox"/>		Maintenance of:	
Underground power/cable/conduit <input type="checkbox"/>		• existing roads <input type="checkbox"/>	
New road/driveway <input type="checkbox"/>		• ditches <input type="checkbox"/>	
Road widening/modification <input type="checkbox"/>		• land, e.g., clearing, brushing, burning <input type="checkbox"/>	
Path/sidewalk <input type="checkbox"/>		Workspace <input type="checkbox"/>	
Ditch/drainage <input type="checkbox"/>		Vehicle/Equipment Crossing (number of crossing points) <input type="checkbox"/>	
Parking lot <input type="checkbox"/>		Parallel access on right-of-way <input type="checkbox"/>	
Overhead power/cable <input type="checkbox"/>		Geophysical/seismic <input type="checkbox"/>	
Drain tile <input type="checkbox"/>		Proximity <input type="checkbox"/>	
Fence <input type="checkbox"/>		Other: <input type="checkbox"/>	
Piperack <input type="checkbox"/>			
Railways <input type="checkbox"/>			
Other: <input type="checkbox"/>			

Crossing and Encroachment Application

Drawing Requirements

Attach drawings to this application for each proposed activity, including:

- Drawings: Yes No N/A Number of drawings attached _____
- Vehicle Equipment Form: Yes No N/A Number of forms attached _____
