Email Address: * <input type="text" value="myname@mycompany.ca"/>	
Company: * <input type="text" value="Western Industrial Contractors Ltd"/>	
User ID: <input type="text" value="Optional"/>	

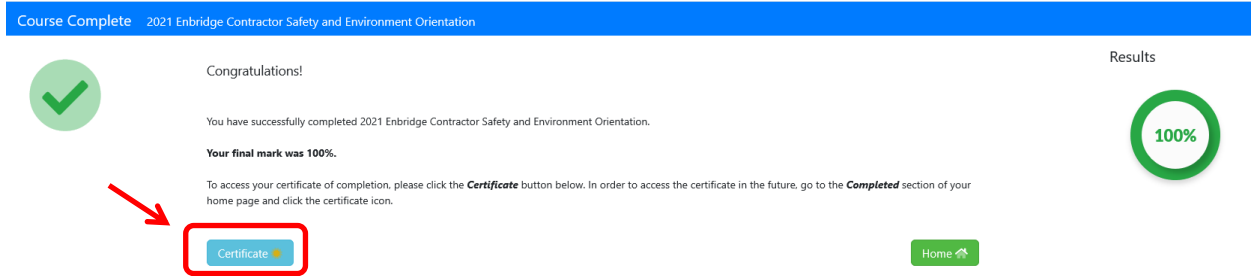

4. Click Start to launch the course.

Note that the General Safety Orientation and the Environment Orientation have been bundled into a single course with two chapters. Both must be completed to receive a certificate of completion (click the >> button at the bottom of the screen after the Safety Orientation to go on to the Environment Orientation):

- Once you complete both modules, you will get a results page that has a button to download a certificate of completion (which you can then print as evidence of completion):

NOTE: You can also print at any time by clicking the certificate star on the course under “**Completed**” in your Home dashboard. Certain facilities and operations may provide you with a 2024 Annual Contractor Orientation hardhat sticker in exchange for this certificate of completion.

Print or save to receive hard hat sticker (in some areas only)
