

Dear Valued Supplier,

Effective June 1, 2024, a wholly owned subsidiary of Enbridge Inc. ("Enbridge") acquired Wexpro Company from a wholly owned subsidiary of Dominion Energy, Inc. ("Dominion"). Wexpro Company previously conducted business as Dominion Wexpro, and now conducts business as Wexpro Company.

While the ownership has changed, there will be no changes to current contracting, purchase order, invoicing and payment processes, including the payee name.

These functions are covered by a transition agreement between Enbridge and Dominion, which will ensure these activities continue to operate "as-is" throughout a transition period.

What you need to know:

- Management of your current agreement and purchase order(s), if applicable, will remain with your current Dominion Wexpro relationship holder until advised otherwise.
- Invoices should continue to be submitted to Dominion Wexpro through the existing methods supported by Dominion until advised otherwise, as outlined on the Dominion Active Supplier site at dominionenergy.com/suppliers/active-suppliers.

Further information regarding the timeframe of any future changes to procurement and Accounts Payable processes as well as any actions required will be formally communicated at a later date.

If you have questions or need assistance, please contact the following:

- Invoice and payment status inquiries:
 - Email: wexpro.ap@dominionenergy.com
- Purchase order inquiries:
 - Contact buyer listed on PO

We ask for your patience as we progress through the phases of the transition activities over the next several months. Please distribute this announcement to those within your organization who may need to know about these changes.
